Books for Gardeners

The RHS Wisley Bookshop, supported by

Welcome to 'Books for Gardeners'...

... and our autumn catalogue offering you our selection of the best books from the vast range of titles available. Included are many new books and special offers, together with essential titles for your collection – all excellent ideas for Christmas presents. Once again we are grateful for the invaluable support of Dorling Kindersley in making it possible for us to offer this service to you.

We are delighted to be launching our online ordering service this autumn. You will now be able to buy any of the books featured here via the RHS website. We will be adding new books to the site as they are published, together with old favourites from the 8,000 titles we have in stock at the Wisley bookshop – probably the best bookshop of its type in the UK, if not the world.

Don't forget, our friendly and knowledgeable staff can offer a personal book-finder service to help you find just what you're looking for.

Happy browsing and good gardening!

Why buy from The Wisley Bookshop?

The Wisley Bookshop is one of the most comprehensive gardening and horticultural bookshops in the world. It is a source of inspiration for gardening enthusiasts and academics alike. Maintaining the enormous breadth of titles is a major undertaking and although many of the books sell to a wide audience, many more have understandably very specialist appeal.

Every book you buy from us helps the Royal Horticultural Society maintain this service and provides another way of supporting our vital work.

HELP BRITAIN'S LEADING GARDENING CHARITY

All the profits we make go straight back into providing the things you know and love us for: inspirational gardens, magnificent flower shows, trusted advice and invaluable research.

ORDER FROM THE RHS

There's no easier way to share your love of gardening than by ordering from us, so we hope you'll find there's plenty here to inspire and delight, inform and educate you – including our own RHS titles.

As we receive no government funding, your support really does make a difference. So every order helps.

THANK YOU
